01 INTRODUCTION

Ningxia University is a university jointly established by the Ministry of Education and the People's Government of Ningxia Hui Autonomous Region, a national "double first-class" construction university, and a national "Project 211" key construction university.

Ningxia University was founded in 1958. In February 2002, Ningxia University merged with Ningxia Agricultural College to form a new Ningxia University. In September 2017, it was selected as a national "double first-class" construction university; In February 2018, it became a university jointly established by the Ministry of Education and the People's Government of Ningxia Hui Autonomous Region.

At present, the university has one national "double first-class" construction discipline of "Chemical Engineering and Technology", two advantageous specialty subject groups jointly established by the departments of "Chemical Engineering and Technology" and "Ethnology", one national key discipline of "Pratacultural Science" and one national key (cultivation) discipline of "Chinese Minority History". There are 18 key disciplines in the autonomous region, 8 advantageous characteristic disciplines in the "13th Five-Year Plan" autonomous region, 8 key disciplines in the "13th Five-Year Plan" autonomous Region, and 16 first-class construction disciplines in the autonomous region. There are 12 doctoral programs in first-level disciplines, 33 master's programs in first-level disciplines, 28 professional master's degree programs, and 4 post-doctoral research centers.

1

One of the first batch of universities in China to admit international students

I Applicants must be non-Chinese citizens and meet the requirements stipulated in the JWH[2020] No.12 Document issued by the Ministry of Education of the People's Republic of China. Applicants shall be physically and mentally healthy and willing to abide by the laws and regulations of China and the regulations of Ningxia University.

II Applicants must be non-Chinese citizens and meet the requirements stipulated in the JWH[2020] No.12 Document issued by the Ministry of Education of the People's Republic of China. Applicants shall be physically and mentally healthy and willing to abide by the laws and regulations of China and the regulations of Ningxia University.

03

APPLICATION PROCEDURES

1.Log in the Management System for International Students in Ningxia university, use the personal email account to register at **http://www.apply.nxu.cucas.cn/;**

2.Click on the registration link received in the email-box to activate personal account;

3.Select the correct project, fill in the application and submit the application materials.

04

APPLICATION DOCUMENTS

Degree students (undergraduates, postgraduates)

1. Download and fill in the Application Form for Admission to Ningxia University.
2.Copy of the passport biographical page (be valid at least till December 2026) .
3.Last diploma or pre-graduation certificate (must in English version).
4.Transcripts of the last diploma (in Chinese or English)
5.CSCA transcript
6.HSK certificate
7.Study Plan in China
8.Two recommendation letters from your high school teachers (for undergraduate applicants) or university (institute) teachers (for postgraduate applicants)
9."Physical Examination Form for Foreigners" and a certificate of no criminal record (valid in 6 months)

Non-degree students (Chinese language students, preparatory students, exchange students)

1. Download and fill in the Application Form for Admission to Ningxia University
2.Copy of the passport biographical page (be valid at least till December 2026)
3.Last diploma or pre-graduation certificate (must in English version)
4.Transcripts of the last diploma (in Chinese or English)
5."Physical Examination Form for Foreigners" and a certificate of no criminal record (valid in 6 months)

05

HSK REQUIREMENTS

1.Applicants for bachelor's degree, Chinese level must reach HSK level 4 and the score must be above 240 points;

2.Applicants for master's or doctoral degree must have HSK level 5 and the score must be above 180 points;

3.Those who do not meet the above requirements can first apply non-degree program on language study, study Chinese for one year on one’s own expense, and then apply degree program after obtaining corresponding HSK scores.

4.There is no Chinese proficiency requirement for language study or short-term study programs.

06

INSTRUCTIONS FOR THE INTERNATIONAL UNDERGRADUATE STUDENT ADMISSION ACADEMIC PROFICIENCY TEST

All international students applying for undergraduate programs are required to submit their Academic Proficiency Test transcripts in accordance with the following requirements. Specific instructions are as follows:

China Scholastic Competency Assessment (CSCA) is a standardized test designed for international students who plan to pursue undergraduate degrees in China. Organized by China Scholarship Council (CSC) and jointly developed with experts from Chinese universities, CSCA assesses students' language proficiency and academic readiness, helping them better prepare for undergraduate studies in China.

CSCA is also an important reference used by Chinese universities in their admission and scholarship evaluation processes.

NINGXIA UNIVERSITY

I.Subject-Specific Chinese Test Transcript

Applicants for undergraduate programs taught in Chinese must take the subject-specific Chinese test corresponding to their intended field of study. **Applicants for the Chinese Language and Literature program may be exempted from this test if they can provide a valid HSK Level 4 score report.**

(1)Arts & Humanities Chinese:

Chinese Language and Literature, Law, Public Administration, Tourism Management.
