2026 International Admission Beijing University of Technology

Undergraduate Programs (Chinese-taught)

Beijing University of Technology (BJUT), established in 1960, is a key university administered by the Beijing Municipal Government with a focus on engineering and a multidisciplinary nature, covering nine major disciplines including engineering, science, economics, management, literature, law, education, art, and interdisciplinary studies. In 1981, BJUT was approved as one of the first universities in China to confer Master's Degrees. In 1985, BJUT was approved to confer Doctoral Degrees. In 1996, BJUT entered the list of key universities in the national "211 Project". In 2017, BJUT officially entered the list of universities in the national "Double First-Class" Initiative. Successfully passing the first-round construction evaluation in 2022, BJUT has been included in the list of "Double First-Class" initiative universities and disciplines for the second round. 9 disciplines entered Top 500 of the QS World University Rankings by Subject. 11 disciplines including Engineering, Materials Science, Chemistry, Environment and Ecology, Computer Science, Biology and Biochemistry, General Social Sciences, Physics, Earth Science, Clinical Medicine and Mathematics entered Top 1% of the ESI Rankings, among which Engineering and Materials Science ranked Top 1‰.

I. ADMISSION REQUIREMENTS

1. Applicants must be in good physical and mental health with no criminal record.
2. Applicants must be non-Chinese citizens with a valid passport, between the ages of 18 and 25 (starting from September 1, 2008), in good physical and mental health, and have attained a senior high school diploma.
3. Applicants should meet the conditions set by the Document No. 12 (2020) of Ministry of Education of the PRC.

4. Language requirement: new HSK-4 or above level
5. Applicants should take the China Scholastic Competency Assessment (CSCA) organized by the China Scholarship Council of the Ministry of Education of China.

* Applicants who do not simultaneously meet the No.4 and No. 5 requirements are recommended to take one-year self-funded preparatory course at Northeast Normal University or Huaqiao University, which are our university's partner preparatory institutions. For detailed information, please visit: https://isa.bjut.edu.cn/en/.

II. UNDERGRADUATE PROGRAMS

Check for details in **Appendix: 2026 BJUT Undergraduate Programs**.

III. APPICATION PERIOD

November 1, 2025 – January 16, 2026

February 23, 2026 – May 31, 2026

IV. ADMISSION PROCEDURE

Step1: Take China Scholastic Competency Assessment (CSCA)

The Applicant shall take the assessment and obtain the score. Please visit CSCA website: www.csca.cn for detailed information. For the test subjects of each major, please refer to the attached ***2026 BJUT Undergraduate Programs***.

Note: For the 1st application period, we accept scores from session held in December 2025. For the 2nd application period, we accept scores from the 4 sessions in December 2025, and January, March and April 2026.

Step 2: Fill in and submit online application

The Applicant shall register and submit online application at https://bjut.17gz.org/.

Step 3: Pay application fee

The application fee is 500 RMB. Once paid, it is non-refundable. Applications will

be considered invalid if the application fee is not paid.

Step 4: Attend the interview

After passing the initial review, students will receive an interview notification (online or offline).

Step 5: Check pre-admission result

Having received the email notification, applicants can check the pre-admission results in the application system.

Step 6: Receive the Admission Notice

Applicants will receive the softcopy of *Admission Notice* starting from July 1, 2026.

V. APPLICATION DOCUMENTS

1. Application Form (completed online at https://bjut.17gz.org)
2. Passport homepage
3. High school diploma or expected graduation certificate. For documents in languages other than Chinese or English, a notarized translation must be provided.
4. Transcripts for all courses in high school. For documents in languages other than Chinese or English, a notarized translation must be provided.
5. Test score of China Scholastic Competency Assessment (CSCA)
6. New HSK-4 or above level
7. Curriculum vitae
8. *Foreigner Physical Examination Form* issued within six months before application submission date (Click for Foreigner Physical Examination Form template)
9. *Non-criminal Record Certificate* issued within six months before application submission date
10. Certificate from the financial guarantor of the applicant and bank statement (Click for Letter of Financial Guarantee template)
11. Remittance receipt of application fee RMB 500
12. Applicants under the age of 18 (until September 1, 2026) should provide certified

documents of designation signed by their entrusted legal guardians in China. (Click for Procedure of Guardian Notarization Documents for the Applicant under the Age of 18)

VI. SCHOLARSHIP

1. Chinese Government Scholarship
2. Beijing Government Scholarship

Find out more information on coverage and standards at https://isa.bjut.edu.cn/.

VII. REMITTANCE INFORMATION

- ✧ Accounts Name: Beijing University of Technology
- ✧ Bank of Open Account: Beijing Guang Qu Road Subbranch Bank Industrial and Commercial Bank of China
- ✧ Accounts: 02 0000 3709 0890 28526
- ✧ SWIFT Code: ICBKCNBJBJM
- ✧ Note: Please fill application No. and passport No. in remittance information.

Appendix: 2026 BJUT Undergraduate Programs

	College	Programs	CSCA subjects
1	College of Mechanical and Energy Engineering	Mechanical Engineering	Chinese, Mathematics, Physics
2		Intelligent Manufacturing Engineering	
3		Energy and Power Engineering	
4		New Energy Science and Engineering	
5	School of Information Science and Technology	Communication Engineering	
6		Robotic Engineering	
7	College of Computer Science	Information Security	
8		Software Engineering	
9		Computer Science and Technology	
10		Internet of Things Engineering	
11		Digital Media Technology	
12	College of Architecture and Civil Engineering	Civil Engineering	
13	College of Architecture and Urban Planning	Architecture	
14	College of Metropolitan Transportation	Traffic Engineering	
15		Traffic Equipment and Control Engineering	
16	College of Chemistry and Life Science	Chemical Biology	Chinese, Mathematics, Chemistry
17		Biomedical Engineering	
18	School of Mathematics, Statistics and Mechanics	Mathematics and Applied Mathematics	Chinese, Mathematics, Physics
19		Information and Computing Science	
20	College of Economics and Management	Information Management and Information System	

21		Big Data Management and Application	
22		International Business and Trade	Chinese, Mathematics,
23		Economic Statistics	
24		Accounting	
25		Finance	
26		Business Administration	
27		Laws	
28		International Business and Trade (English-instructed)	Mathematics (in English)
29	College of Art and Design	Arts and Crafts	Chinese, Mathematics
30		Industrial Design	
* Except where otherwise specified, the examination language for all subjects shall be Chinese.			

*The above programs are open to visiting students with a study term of one year. For detailed information, please visit our website: https://isa.bjut.edu.cn/en/index.htm.
